Plans & Pricing:

- **Personal Plan:** \$5.99/month – Perfect for individuals and small businesses.
- **Standard Plan:** \$9.99/month – Ideal for growing businesses.
- **Business Plan:** \$19.99/month – For companies needing more advanced features.

Compliance Overview

- **AES-256 Encryption:** All documents are encrypted at rest using AES-256 encryption, a robust standard that ensures your data remains secure.
- **SSL/TLS Secure Transmission:** Data transmitted between you and our servers is encrypted using SSL/TLS protocols, protecting it from unauthorized access during transfer.
- **Audit Trails:** We maintain a transparent record of all document activities, including timestamps, and provide certification for completed transactions.
- **Multi-Factor Authentication:** We offer multi-factor authentication to add an additional layer of security, ensuring that only authorized users can access sensitive information.
- **HIPAA Compliance:** Ensuring PHI security with strict access controls and regular audits.
- **eIDAS and AdES Compliance:** Compliant with EU standards for legally valid and secure electronic signatures.
